

ACKNOWLEDGEMENT

This research is no more or less than a “drop of water attempting to analyze the sea,” pun intended. I wish to thank the following organizations and their staff that shared access and time to communicate “mental pictures” of real life environmental permitting challenges and opportunities.

Ted	Rockwell	Battelle
Tom	Barrett	BP Exploration, Alaska
Bart	Armfield	Brooks Range Petroleum
Mark	Landt	Buccaneer Energy Alaska
David	Hobstetter	Center for Biological Diversity
Ian	VanBlankenstein	CH2M HILL ENGINEERS, INC.
